Re: Final REC Administrative Agreement
Goldsboro Milling-Mill #1
Wayne County, Goldsboro, NC
Site ID No. NONCD0002891

Dear Mr. Pike:

The Inactive Hazardous Sites Branch (Branch) is forwarding a final Administrative Agreement (AA) for a Registered Environmental Consultant (REC)-directed, voluntary assessment and remedial action for the above site. The original, final AA must be signed by both the remediating party (RP) and REC and returned to me for execution by the Division of Waste Management (DWM). Note that the RP must sign the AA in two (2) locations. Also, the check for the REC Program administration fee must be received by the Branch before the AA can be executed. After it is executed, a copy of the AA will be returned for your records. Be aware, when the AA is signed, both the RP and REC will be acknowledging that the REC is fully accountable for complying with the REC Rules (15A NCAC 13C .0300) including the deadlines established upon execution of the AA and the standards of conduct for RECs in Section .0305(b).

If you have any questions, please contact me by phone at (919) 707-8350 or e-mail at Kim.Caulk@ncdenr.gov.

Sincerely,

Kim T. Caulk
